## HOW CHRIST THE MIGHTY ANGEL TAKES ON FLESH AND BONES IN THIS LAST DAY

October 11, 2009

May God's grace be upon on us all today, and as we look to the Word of God we want to gather our thoughts from the Book of Saint John, Chapter 1 and from Revelation, Chapter 10. We will also be reading other places as we go along. My subject is, *How Christ the Mighty Angel takes on Flesh and Bones in this Last Day*. When I speak of Christ and the Mighty Angel here, I'm not talking about Jesus our Lord that we are going to meet in the air when He comes in a physical form; but I'm talking about His wife that has become bone of His bone, flesh of His flesh and she is called by His name.

Now the Mighty Angel comes down from heaven and we see Him in the Spirit to begin with; but as we have come into Revelation 10:8-11 time wise we see John taking the little book, him being a type of the wife of Christ. We see John begins to prophesy showing what the wife of Christ is doing, and we, His wife is given everything that was in the body that Jesus lived in when He was here in His earthly journey. That is what Revelation 10:8-11 is showing us, that we have come to the place where the spoken Word as it was in other ages has now become the living Word in us. In other words, it was spoken then, but it's the living Word now. That is the difference between spoken Word and living Word. So like Jesus, we have become the living Word of God. The prophets in the Old Testament had the spoken Word and they spoke the Word of God, but now we don't just speak the Word of God; but we are the living Word of God. Again this is what Revelation 10:8-11 is all about.

Now Jesus Christ Himself comes visibly and we will meet Him in the air as the living Word. Yes, He will be in a visible body to us His wife. Now prior to this, He comes back in the Spirit (Mighty Angel) as a body to be baptized into **before** the rapture. We are baptized into that body and become the visible body of the Mighty Angel in the earth. That's Christ and His wife as we have become one; the Spiritual marriage is now complete. He is that Word that was with the Father and so are we. That is the fullness of the man Christ Jesus (Ephesians 4:13-16).

Now remember that Jesus was with the Father in the beginning as the Word. He came and took on human flesh just as we are, and at His physical birth He became a living soul. It was necessary for Him to come in this way as the Bible says, "He didn't take on the nature of an angel, but He took on Him, the seed of Abraham." (Hebrews, Chapter 2) In other words, He became a natural man so that He could be tempted, tested and tried in all points like as we, and He tasted death for every man. He paid it all, because we couldn't. We were down in a pit and couldn't get out. We were lost. We were on one side of a great chasm and God was on the other side; but Jesus came and He became the bridge for us. He paved the way with a street of gold and we walked across. He made this possible by His precious blood. Yes, He redeemed us so we could be like He is. The Bible says, "In Him we live and have our being." It also says, "We are dead and our life is hid with Christ in God, and we are a member of His body." We are

baptized into His body and that body walks, talks, and represent the full attributes of Christ for this day and hour that we are living in. We make up His physical body in the earth, because we are in Christ's stead. We speak the words of Christ and we have the mind of Christ. The Bible says, "Let this mind be in you which was also in Christ Jesus." Paul said, "You have the mind of Christ." This is the place we've come to in this last day. We know that Paul prophesied of it, but it didn't come to past in his day because the church began to fall away and it went through seven church ages. We understand the purpose of that and I am glad it went the way it did, because had the rapture taken place in the first age we wouldn't have been in it. But God knew that down here in the earth there were some more seeds that hadn't come forth yet. There were some more plants (children of God) that would come forth in their season, so God created a season for them to come forth in. This is your season, this is your day, and this is your hour to shine as the brightness of the stars forever. It's Jesus Christ walking around here again in this last day manifested in His wife.

So we are a part of Him. How could we be part of Him? We are made of the same thing He is made of. What is He made of? He was the Logos, the thought of God. He was the Word of God, and that Word of God (Plan of God) was with God. Now I want you to notice, this was something that was with God and it was in the thinking of God. It was in the mind of God. God is a Spirit; always will be and has always been. In God's mind, He had all this planned out. He had a time set for Adam and Eve to come, and He knew the fall would take place. I explained the other week about had the fall not taken place, then there would have been sons and daughters of God born that would never have a trial; but then could never project love towards God. But God wanted an opposing voice, a contrary voice saying, "You go this way," but then God had His Word that said, "You come this way." He wanted you to have a choice; but He knew what the choice would be. And when we get over there, we are not going to roll into heaven like a bunch of robots that couldn't do different. We are going to be there, because we chose to do His will. We chose not to live after the plan of the world; but we chose to love Him and go His way, even though sometimes it is a hard way on the flesh. He makes it that way, because it is for His glory. Everybody would want to be a Christian if He put us all on a flowery bed of ease and gave us all the money we could spend; then you couldn't keep people out. But He lets you go, some through the fire, some through the flood; but we've all got to come through the blood. So He is doing it just exactly like His plan said He would, and I love it this way. Hallelujah! I wouldn't have it any other way. Some of us had some rough times growing up and still have times when things are not pleasant, but this is the will of God and we want to walk after the will of God.

"But there was something that was with God," the Bible says. Now what was that which was with God? It was His Plan/Word, His Word is His Plan. He wanted to have a Son that would come down here and be an example, and He would come and live in that Son Himself. We see when Jesus went to John to be baptized that John refused at first to do it. Jesus walked up to John and said, "I want to be baptized." John said, "Not so, I have need to be baptized of thee." But Jesus said, "Suffer it to be so, for thus it

becomes us to fulfill all righteousness." In other words, He was setting an example for us when He was baptized. Afterwards, He was driven by the Spirit into the wilderness to be tempted of the devil. He neither ate nor drank for 40 days and nights, and the devil tempted Him. He was tempted in all points like as we. The devil showed Him a vision of all the kingdoms of the world and said, "All these things will I give thee if thou wilt bow down and worship me." But Jesus answered back with words that showed what He was made of. He was made out of the Word, so He answered back with the Word. Jesus said, "*It is written, Thou shalt worship the Lord thy God and him only shalt thou serve.*" The devil thought, "I didn't get Him on that one, but I'll get Him on this next one." So the devil took Him on the pinnacle of the temple and quoted Him a scripture saying, "He will give His angels charge concerning thee." The devil thought, "I've got Him now; I'll use scripture on Him, for it is written..." But Jesus came back with, "*It is also written, thou shalt not tempt the Lord thy God.*" Here was one that knew how to use the Word. The devil had the Word, but he didn't know how to use it; he didn't know how to apply it. Jesus wouldn't clown for the devil then, and He won't clown for anyone now. Amen. He's going to do it His way whether we like it or not; but His bride is going to like it His way. There were other temptations that Jesus went through. Now Jesus was hungry, and the devil says to Him, "If you be the Son of God... and it is possible that you could be, but I don't know. But I tell you what, you can make a believer out of me real quick... you're hungry... take these stones here and turn them into bread." Jesus wouldn't do it. He brought the conversation back over to the Word, because there is more to serving God than fulfilling the flesh. Jesus said unto the devil, "*Thou shalt not live by bread alone, but by every Word of God.*" (Matthew, Chapter 4) Do you see how Jesus answered everything? That was the Word being manifested; yet He was being tried. Why was He being tried? The Book of Hebrews said, "He was tried in every point like as we are, yet without sin." It says, "Though He was rich (He owned it all; everything that God owned was His) He became poor so that you could become rich." It wasn't that He didn't have something to eat, He did; but He wasn't going to clown for the devil. So He laid aside the Deity and became a servant. He came down here to show us, and have we learned yet?

Let the Word of God come forth! He was tempted and tried. But He had one thing in mind, "I've come to do the will of the Father." And you are here to manifest Jesus Christ for this day and hour as His wife, being Word that is made manifest. You are the literal body of Christ. The Bible says, "We become bone of His bone, flesh of His flesh," and flesh and bone is not spirit. Amen! We are baptized into Him, and that makes us part of Him. There's a literal, moving, functioning body of Christ in the earth today called His wife by John in the Book of Revelation 19:7-8. She has His very mind, she has His very potentials; everything He has, she has. Because the Bible says, "He is an heir of God and we are joint heirs with Christ." (Romans, Chapter 8) Yes, we are heirs with Christ; everything He has we are a part of it, because we are part of the same Word. You were in exactly the same place as Jesus before the world was. Because God ordained it in His plan the Word. John said, "In the beginning was the Word, and the Word was with God (the Word was part of God.)" So that is what we are today, we are

a part of God, and being part of God we are the body of Christ. And in this last day, He is to take on flesh and bone again in His wife. God sends down the Spirit of Christ for us to be baptized into, and we have become the physical, living and visible part of Christ; walking around here and talking (prophesying) in this last day.

When Paul preached the Word of God, Jesus would not have said it different had He stood there Himself, because Paul said, "It's Christ in you, the Hope of Glory." We are in Christ's stead by the baptism of the Holy Ghost that God gave to lead and guide us into all truth, and armed with this grace Revelation, Chapter 10 becomes simple; but only to the Wife which is the Mighty Angel that has taken on flesh and bone, and also which is for our translation. (Read the book or listen to the audio entitled *The Wife of Christ receives both Legs of the Coming of the Lord - Remember the Feet.*) But here He comes as the Mighty Angel, a Spiritual body for us to be baptized into; not just the Holy Ghost, because He was already here as the Holy Ghost before Revelation 10:8-11 came into fulfillment. (Listen to the 1994 audio message entitled *Christ Is: The Holy Ghost, High Priest, and Mighty Angel*) At this time, those of the wife will come forth from the grave, and we the living along with the resurrected members of His wife will be caught up together to meet Jesus Christ in the air, as it takes all the members of the body to make up His wife.

Even when the church fell away, God had other seeds that hadn't come in yet. Now watch this, there's another part in the mind of God. There were seeds to come in this last day as they did all the way through the dark ages. There were many people who gave their lives for truth; they didn't know what you know, but they knew that God was real and they believed. They would say, "If I have to give my life to stand for it, then I will." By some accounts, there was about 68 million that were slain for the Word of God in the dark ages. But because there were God's seed in each age, the seed had to come forth, because they are part of His wife.

Now how does Christ take on human flesh? He sends the Spirit of the Word, which is His Spiritual body, the very Spirit of Christ comes down in angelical form; it's the Spiritual body for us to be baptized into. Being baptized into the body of Christ is not only having received the Holy Ghost, but is a **furtherance** of God's plan by being baptized into the body of Christ. There are those who are baptized with the Holy Ghost (foolish virgins/tribulation saints, etc..) but are not baptized into the body of Christ. (Read the book or listen to the audio entitled *Baptized with the Holy Ghost and then into the Body of Christ*) Being baptized into the body of Christ means you have given yourself solely to the Lord; being married to Him and nothing else in life means anything, we only want to love and serve Christ. You are one with Him. And finally Saint John 1:1, "*In the beginning was the Word, and the Word was with God, and the Word was God.*"

Let's go on down to Verse 14, "*And the Word **was** made flesh,*" that means the Word was something else other than flesh. The Word was Spirit; but it had to take on flesh and bones. What you are seeing in this hour is the Word taking on flesh and bones. Hallelujah! Bone of His bone, flesh of His flesh, Word of His Word, Spirit of His Spirit! That is why He can put His very own mind in you, and you cannot function well in this

body of Christ without the mind of Christ. He gives you His mind, His attributes, and the very Spiritual blood of Christ flows through your veins when you are baptized into that body of Christ. Now I am not talking about the chemistry of the blood here, let me explain the difference. The very blood of Jesus Christ flows through your veins if we walk in the light as He is in the light; the blood of Jesus Christ cleanseth us from all sins. That chemistry of the blood paid the price. The Bible says, "He offered one sacrifice, He perfected us forever. (Hebrews 10:14) So that blood (chemistry) flowed out of His veins and went into the earth, but the life that was in that blood came back on the believer. The chemistry of the blood doesn't exist anymore, but the life of that blood is just as strong today and will be millions of years from now. That is what happened when Jesus cried with a loud voice and He gave up the Ghost. He gave up His Spirit. That is what came back on the Jewish Feast day of Pentecost, that's the blood that cleanses your soul. I heard a preacher say and perhaps he was meaning it in the right way; but he said, "When Jesus went up into heaven, He took a pan of His blood with Him and that blood is still steaming tonight. He was preaching telling how the blood saves you. Well, that was chemistry. There was never any blood taken up into heaven, not in chemistry form, but only the life was taken up that was in the blood. That's what is in you. The blood of Jesus Christ flows through you, that Spiritual man, the life of that blood flows right through you, not the chemistry of the blood. There was a life in that blood, and that is what you receive when you repent of your sins. You receive the Spirit of Christ, and that is the blood of Jesus Christ that cleanses you. You are born again by the blood of Christ; not by the chemistry, but by the Spirit of the living God. That is why the Word says, "No man can come to God except the Spirit of the blood draws him," because the blood doesn't exist in any other form after the crucifixion. But the life that was in that blood, what is it? It is eternal life; otherwise we would have to have the chemistry of that blood with us today in order to live forever with eternal life. Jesus said, "I don't have to die." He had eternal life in Him which was the life of the blood, but He had to release it for you and me. When they came to get Him to be crucified, He said, "I don't have to die. I could call twelve legions of angels." He could have destroyed all those men and saved Himself. But He said, "For this purpose came I into the world." Are you willing to say, "For this purpose came I into the world to be a witness in this last day of these great things God is doing?" Hallelujah! Are you willing to be a witness that Jesus Christ is still alive; that Jesus Christ has a physical body in the earth today and you've been baptized into it? That Mighty Angel has taken on flesh and bones. That's when we take the little book. That's when we eat the little book. Amen! The Bible says, "Have you tasted that the Lord is gracious." We eat that Word of God, not tear pages out of this Bible and eat it, but what we eat is the Spirit of the Word.

Now I want you to watch here, "*The Word was made flesh.*" And the Word is still being made flesh. It's that same eternal life (don't miss this point) that came into Christ, that same eternal life that caused the virgin Mary to become pregnant, the Holy Spirit overshadowed her and she became impregnated and bore a child, that came directly from God as a seed of God, as the Word of God. That's what He was in the beginning, He was the Word, and the Word was made flesh. Not some man-made seed. But since

that Word became flesh it was a seed of God; then we get that same Spirit within us. The same Word that came within Mary to produce that eternal life it comes into us; but it comes into us after it was tried and tested in all points like as we are. Jesus said, "I counsel thee to buy of me gold that's tried in the fire." What we have has been tried in the fire and this gold has purified itself age after age, after age, until now God looks at it and sees pure gold. Some says, "Walk on the streets of gold." Well, I tell you the bride is that city and that street of pure gold is the one way to God, one street to God baptized in Jesus name. Peter told us about it on the Jewish Feast Day of Pentecost when the gospel came to the brethren of Christ, "Repent and be baptized in the name of Jesus Christ." Afterwards the Holy Ghost came to the Gentiles at Cornelius' house, (Gentile Pentecost) in Chapter 10 of the Book of Acts; while Peter spake the Word, the Holy Ghost fell on them. He said, "Can any man forbid water that these should be baptized, and he commanded them to be baptized in the name of the Lord." I'm glad to take on the name of the Lord, aren't you? Why would anyone want to be baptized without using the name of Jesus Christ? Somebody says, "I'm the bride, I've been baptized in the name of the Father, Son, and Holy Ghost." If you are the bride, you're going to take on the name of the bridegroom.

The Word is Spirit. God set the tree of life in the Garden of Eden, and the tree of the knowledge of good and evil. Now the tree of the knowledge of good and evil was very visible. It could be approached, because it was knowledge and man was physical. Also the tree of life God set there; but He didn't give them the commandment to eat of the tree of life in the garden, because that was to come later as they waited upon the Lord for instructions to eat of it. Now concerning the tree of the knowledge of good and evil God said, "Don't eat of it in this form." The tree of the knowledge and the tree of life had to go together (be connected together) just like man and wife. Likewise, the written Word and the Spiritual Word have to be joined together. Paul said in 2 Corinthians 3:6; "That the letter of the Word kills, (and that is what the tree of the knowledge of good and evil did) but the Spirit (the tree of life) giveth Life." God would have come to Adam and Eve and said, "Join the tree of the knowledge and the tree of life together and bring forth children with eternal life." But the serpent came in and said, "I know how to do that without waiting," showing here that he is a deceiver.

Now the Pharisees had a religious system and they were eating of the tree of the knowledge of good and evil; but when Jesus came with the tree of life, their religious system said, this man is of the devil. Letting us know that being religious isn't having salvation. Did you hear what I said? Being religious is not having salvation; it takes Christ living in you, there's where salvation comes from. The religious Jews were so self-righteous and that made Jesus to look like a sinner in their eyes, because He associated with publicans and sinners. He ate with them. He ate and drank what was set before Him. One of the things they had against Jesus was they said, "He's a wine bidder and a gluttonousness man." But He didn't do anything out of proportion. But that was the religious criticism of Him. The fact is, the way He lived and operated compared to what they thought was right, it made Him look very, very bad in their eyes to the point they said, "He's of the devil. They said all this, because Jesus was not

religious, He didn't fit into their mold. He didn't wear that priestly robe with the ropes and titles.

I don't want to say too much about this; but I watched part of the funeral of one of the Senators on television, I think it lasted for a day or two. But there were priest that had on different colors of robes and were carrying something so that when they shook it, smoke would come out and they were shaking it over him. One would get up and say a little something; then another while shaking the smoke over him. I said to myself, "If this man doesn't go to heaven, it's not going to be the priest's fault, because they worked two days as hard as they could trying to get him there. So if he didn't make it, he can't blame all the priests. What more could they have done? They put smoke on him, they said prayers over him, and they sprinkled water over him. I don't think they sprinkled any salt on him, I didn't see it if they did." The point being, can you see Jesus coming in there to that funeral? Could you see Him dressed like a common man going to them? Jesus didn't use those big words. That's why the common people heard Him gladly. Well, He is not religious. He wasn't religious then and He's not religious now! Amen! He didn't wear a priestly robe then and His wife is not wearing a priestly robe now. She's dressed in fine linen, clean and white, and that is His righteousness. She knows it's not some natural garment. It's a Spiritual garment; it's the righteousness of God.

The Mighty Angel has taken on flesh and bones. The Mighty Angel has a mind. It's Christ in you, the Hope of Glory, and there's a special diet for you. It's the eating of the little book. Just think; it was reserved all the way through the seven church ages. It was sealed up in heaven. I might not have realized the full impact of what I was saying when I preached a message in Zimbabwe entitled, *Obtaining that which was previously unobtainable*. Because that which was previously unobtainable was sealed away in heaven with seven seals, and the seals weren't even taken off until 1963. Now we have it in our hands and are eating it, because His wife has become His flesh and bones.

Let's go to Ephesians, Chapter 1, and I want to show you the same thing that Jesus was, He was the Word and He was with the Father, and He was manifested in the flesh. I want to show you where you were at and where you are now. See, Paul prophesied and preached as though this would take place in his day, and he thought that right up to just before God took him home. So God let him know right at the last saying, "Paul, I'm going to take you on." He might not have revealed to him about the seven church ages, I don't know what all He told him, because Paul was picked up into the third heaven and saw things that he didn't care to make known to them. It wasn't for their time and their day. So Paul said, "I've got to go on home." But he said something here in Ephesians 1:1-3, "*Paul an apostle of Jesus Christ by the will of God;*" it's by the will of God and it can't be changed; it can't be altered. Job said, "God is of one mind and who can change it?" Nobody, it will be just like He said. Somebody might say, "This man would make a good apostle, because he can preach and speak well. He knows how to say his words good." That has nothing to do with it. Paul was an apostle by the will of God and that is how you are a Christian today. That is how you're part of this bride. That's why you're the wife of the Lamb. That's why you're clothed in fine linen, clean and white; it's by the will of God, and He is of one mind and who can change it? "...to the

*saints (not only Paul, but the saints also) which are at Ephesus, and to the faithful in Christ Jesus: Grace be to you, and peace, from God our Father, and from the Lord Jesus Christ. Blessed be the God and Father of our Lord Jesus Christ, who hath blessed us with all spiritual blessings in heavenly places in Christ:*" I am concerned about your spiritual blessings in heavenly places, and I'm here to tell you that religion isn't the way. It's the Word. It's Jesus! Jesus said, "I am the way, the truth, and the life."

Verse 4, "According as he hath chosen us in him before the foundation of the world.. And what did He choose us for? "...that we should be holy and without blame before him in love." Now how can we be blameless before a perfect God? By accepting the gift of righteousness. Chapter 5 of Romans, Verse 17 lets us know that He gives you the gift of righteousness, and you can't get any better than that. *Having predestinated us;* that means God foresaw your love for Him. He created you and put His seed in you. Verse 5 says, "Having predestinated us unto the adoption of children by Jesus Christ to himself, according to the good pleasure of his will." Now whose will? His will. I tell you that God has more to do with this than what most of us think. He knows what He is doing. Sometimes we don't and we stumble along; but all things work together for good to them that love God and are called according to His purpose. "To the praise of the glory of his grace, wherein he hath made us accepted in the beloved." That settles it as far as I'm concerned. He has made us accepted, so everybody else needs to hush. The Bible says, "It is God that justifies, then who is he to condemn? It's Christ that died, who are you to say anything?" If He thought enough of you to die for you, then there is only one thing I need to do and that is to shut up about it.

Going on to Ephesians, Chapter 5, and I just want to get part of Verse 30, "For we are members of his body, of his flesh, and of his bones." That means us. That doesn't mean our soul, because our soul is never spoken of as flesh and bone. That soul is that inner person. Paul talks about the strengthening of the inner man. But this is talking about flesh and bones. She is bone of His bone and flesh of His flesh. It means you're His wife, you're part of Him. He came down and all that He has He shared with you; heir with God and joint heirs with Christ.

There is one Verse here in Revelation, Chapter 10, and I want to show you what comes down from heaven now, so that you can have this. It says, "And I saw another mighty angel (this is Christ Himself in angelical form) - now watch... *clothed in a cloud...* that means He hides Himself from the world. But we have eyes that pierce right through the clouds. *And a rainbow was upon his head* (you can go to Chapter 4 of Revelation to see who that is with the rainbow about the head) *and his face was as it were the sun, and his feet as pillars of fire:*" Now if you will read Revelation, Chapters 2 & 3, there in each church age are shown these identities of Christ. This is the Spirit of Christ (Spiritual body) that comes back to be baptized into. Not only does He come back, but He brings us something. Oh, here He comes bearing a gift. He brings us the little book. Notice, nobody in heaven was worthy to take it, nobody no where, so the whole thing was lost without Him. But here came a bloody Lamb showing what Christ did at Calvary. He took the book, (the book of redemption) broke the seals, opened it, and took from it the **portion** that is for His wife that is called 'the little book' and brings it to earth. Then the

Voice of God in heaven speaks again as He looks down, and He accepts us as Christ's wife. He tells John (who was in type only of the wife), "Go take the little book from the Mighty Angel's hand and eat it up. It's going to taste good, but it's going to make your stomach bitter." Why? Because as you have woken up, you see the whole religious world is in darkness and is not to be part of the wife of Jesus Christ. Adam and Eve didn't know the situation they were in until they woke up. They realized that something had happened. There's a message that has come to wake up a people in this hour, and we woke up and we see. We realize religion and the church world is not it. We woke up to truth. We eat the little book.

How the Mighty Angel takes on flesh and bones? This is it. In this body, He gives you His mind. He gives you His gifts. He gives you His attributes and it is Christ walking here. Jesus said, "These works that I do, you will be able to do the same thing and even more." He was speaking to the Jews, His brethren; but we were grafted in and it came over to us Gentiles. This message could go on and on, but I think we have said what would be profitable here. Thank God for the Word. Do you know what you are? You're the Word. You were with Him. When? In the beginning. Now what was Jesus? He was the Word made flesh. What are you? You're the Word made flesh, and then the Spirit comes down and anoints the Word which is the Mighty Angel anointing upon us as we are eating the little book and prophesying. (Revelation 10:11)

Jesus went into the wilderness and the angels came and comforted Him, and He came out of the wilderness in the power and Spirit of God. That's what we have done; we've come out of the wilderness. The song, how did it feel when you came of Babylon, came out of Babylon, came out of Babylon, oh how did it feel when you came out of Babylon praising the Name of the Lord. I say, "It feels good!" God bless you. Let us pray.

*Heavenly Father, thank you Lord for your many blessings. I just pray Heavenly Father that you will move by your Holy Spirit, that you will just touch each and everyone in the Spirit. You said you would give us all Spiritual riches. Lord, we are not concerned about a lot of natural riches, just having our needs met. You promised to supply our needs, put food on our table and all these things, but now we are entering into the Spiritual storehouse and receive the Spiritual blessings from thee. Lord, we just thank you Oh God for this Word. Thank you Lord for coming down and receiving us into yourself, by one Spirit we are baptized into you. I just pray now as the people go their way they will water this Word. By thinking on it, by talking about it, by meditating upon it and by realizing that's what we are in you. Bless us all together and may this Word as it goes forth from continent to continent, Lord you know all the areas of the world it will go to and you know all the hearers – Lord let it be a call to your seed that the marriage is taking place, those that you predestinated. Let it be a call, now it's time to wake-up, to look up, our redemption draweth neigh. We bless your name and praise you in Jesus Christ name. Amen.*
